2473. SHRI K. M. KHAN: Will the Minister of FOOD be pleased to state:

(a) whether the World Summit for Work for Peace and Fight against Hunger held at Rome has been participated by Indian delegation;

(b) if so, the details thereof with the names of the members of the delegation;

(c) whether India's view point was placed before the Summit;

(d) whether some suggestions from India were also placed before the Summit;

(e) whether some suggestions from other participants were also placed before the Summit;

(f) whether Government propose to take some initiatives to get useful suggestions implemented by making wide and proper propagation amongst world countries; and

(g) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF FOOD AND MINISTER OF CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI DEVENDRA PRASAD YADAV): (a) and (b) India participated in the World Food Summit held at Rome in November, 1996. The composition of the delegation is given in the enclosed statement. (*See* below).

(c) to (g) Participants from other countries also attended the Summit. At the World Food Summit India urged Global coalition to promote agricultural development based on technologies which are eco-friendly. It urged industrialised countries to give up their restrictive policies on agricultural trade, encourage production of primary agricultural commodities in developing countries through appropriate pricing incentives and to summon political will to undertake joint action to eradicate hunger. To implement this a suggestion was also made to set up agencies at the levels, the global, regional and national levels charged with the specific responsibility to implement the Summit's Plan of Action.

Disparties in the allocation of Kerosene among States

2474. PROF. RAM KAPSE: Will the Minister of CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION be pleased to state:

(a) whether Government are aware of the wide disparties in respect of quantum of allocation of kerosene amongst various State Governments/UTs.;

(b) the reasons for certain States getting less amount of kerosene from the national average;

(c) whether Government are aware of the diversion of a large amount of kerosene by the distributors; and

(d) the action taken against such distributors against whom complaints have been received?

THE MINISTER OF FOOD AND MINISTER OF CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI DEVENDRA PRASAD YADAV): (a) and (b) Yes, Sir. Kerosene is allocated to States/UTs. on the basis of past demand, offtake trends and relative need. Only 60% of the required quantity of kerosene is indigenously produced. The balance is imported. It is not possible to meet full demands of States/UTs on account of constraints of product availability, foreign exchange and heavy subsidy involved therein. However, during the years 1993-94, 1994-95, 1995-96 and 1996-97 3% increase was given over and above the allocation in the previous years for the country as a whole. In order to reduce the disparity in its availability among States/UTs, additional quantities were allocated to States/UTs having less per capita consumption.

(c) and (d) in order to check diversion and black-marketing of kerosene, steps such as furfural doping of kerosene, blue dyeing of kerosene, sample testing by mobile laboratories and surprise inspections by field officers of Oil Companies and State authorities are undertaken. Action is taken against the erring dealers under the Marketing Discipline Guidelines. The Central Government has requested the State Governments to rationalise the system of retail distribution to identify points of diversion and to take steps to plug the loopholes to prevent black-marketing of kerosene, so that it reaches the targeted groups in time and in desired quantities and at prescribed prices.
